

Member Spotlight â?? Amon Tobin/ Two Fingers

Description

Musician, recording artist, dance floor commander, composer, programmer, sound designerâ? Amon Tobin is all of these things but most of all a forward thinker. Curiosity and a relentless drive to explore have led him to various places in music, and the depth of his work as well as his very unique, innovative methodology make him one of the most influential electronic music artists in the world!

Tobin has released a series of critically-acclaimed albums alongside several other projects, varying from film- and game scores to collaborations with artists of all kinds of genres.

In 2008, he teamed up with electronic producer Doubleclick under the name of Two Fingers, but later continued the project alone. The energetic track â??Fools Rhythmâ?? from the second Two Fingers album is now speeding up Patrick Dempsey in the current Porsche racing video!
