

Chase the sun with us!

Description

“I can’t help but smile because right now we’re just chasing the sun.” • Dave Thomas Junior’s song “Chasing The Sun” is about enjoying the simple things in life and about feeling alive.

It fits perfectly to the TIMEZONE Spring / Summer Collection 2013 that is influenced by sunny Miami, its Caribbean flair and urban lifestyle. Enjoy the video that is featuring his song and let it put a sunny smile on your face!
