

Porsche Resurrects The Targa

Description

They say a classic never dies, it only gets reborn. Well, true to those very words, Porsche have unveiled a thoroughly modern update of what is surely one of their most iconic models: the 911 Targa.

Following on from our work on the new [Porsche Macan Turbo](#), Tracks & Fields sourced and licensed the music for this latest commercial tooâ??an instrumental version of the track â??Heartbeatâ?? by flame-haired German singer-songwriter Enno Bunger. Now all we need is some weather good enough to put the roof down! Hurry up spring!
