

Frisco's fresh brush-off

Description

Girls really just wanna have fun in Frisco's mischievous TV spot and this quick-thinking lot know just how to preserve their peace.

Frisco kept it bright for the launch spot of their fresh new edition Frisco Night. To match the lighthearted mood and club setting, we paired them off with “Petal”, English dance quartet Wubble-U’s massive 1990s continental hit. The bright-eyed bounce is as joyful as it ever was, with a little updated polish and the end lyrics add an extra cheeky bite.
