

Hard-hitting moves and sounds with Nike and choreographer Koharu Sugawara

Description

Nike Japan's collaboration with esteemed hip hop choreographer and dancer Koharu Sugawara in celebration of the brand's monochrome Air Force 1 Collection recently produced two impactful short films which feature a unique soundtrack provided by Tracks & Fields.

Nike Presents: FORCE Move yourself features Sugawara rehearsing her powerful moves throughout the course of an entire day in a dance studio, a cafe, a bathtub as anticipation builds towards the final frames, which shows her arriving on a sound stage to perform the final routine.

The follow-up film *Nike Presents: FORCE DANCE MOVIE performed by KOHARU SUGAWARA* picks up where the first one leaves off, and is a dedicated one-take shot of the perfected FORCE

- dance where Sugawara literally takes centre stage.

The gritty black-and-white aesthetics of both films are unified and enhanced by a bespoke Track & Fields composition. The edgy electronic arrangement captures the movement and raw spirit perfectly, with energetic handclaps and a euphoric finish. We hope you enjoy the results of this collaboration, below!
