

We spill our insider tips about â??How To Make A Music Supervisor Happyâ?? to Flypaper

Description

Flypaper is the daily online magazine of online music school Soundfly, featuring music performance, writing, marketing, and career advice for the curious musician. We were asked by Flypaper to share some of our top tips for songwriters and composers who aspire towards sync placement success, and of course we were happy to oblige.

As part of our continuing series with *Flypaper* â?? called â??How To Make A Music Supervisor Happyâ?? â?? our latest instalment is all about the power of words and how music makers can best

harness words to their advantage.

From track titles to song lyrics, it is an essential collection of tips, hints and never-dos!
