

Our original music score for Nike’s “FORCE” Campaign wins at the Adfest Awards!

Description

Alongside all of [last week’s activities](#) as the official music partner of **Adfest 2018**, we finished our time at the Thai-based event on a particular high note: a trio of awards for the *Nike Presents: FORCE Move Yourself* campaign which we [shared earlier this year](#).

Not only did the film pick up **Bronze Awards** in the **Editing** and **Sound Design** categories, we were thrilled to receive the Adfest Bronze Lotus Award for our **Original Music Score**.

We couldn't be prouder of our inhouse composition work and this esteemed acknowledgement, and would like to thank Taiyokikaku Co.,Ltd. and Dentsu Isobar!

Please revisit and enjoy again the sights and sounds of this two-part film, below: ***Nike Presents: FORCE Move Yourself*** and ***Nike Presents:     FORCE    DANCE MOVIE performed by KOHARU SUGAWARA.***
