

Nike original composition named as a finalist in Music+Sound Awards 2018

Description

In the wake of our Bronze Award win at [Adfest](#) as well as last month's [Shortlist](#) at [Cannes Lions](#), our original composition for the [Nike Presents: "FORCE DANCE MOVIE"](#) has collected another accolade!

We received word of a nomination in the **"Best Original Composition: Online, Viral + Ambient Advertising"** category last week from the UK-based **Music+Sound Awards 2018**. We are excited to be considered in this category and are looking forward to hearing the final results when award winners are announced on July 10.

As always, the film can be seen below, and it features the hard-hitting moves of esteemed Japanese hip hop choreographer and dancer **Koharu Sugawara**.
