

STAFF PICKS: Sounds likeâ? Summer

Description

Everyone has a song that symbolises summer. Whether it relives a beloved summer memory, is an exciting discovery from a recent festival, or captures that feeling of kicking back in the sun and sipping on an aperol spritz.

See what soundtracks the T&F team’s summer in our latest instalment of STAFF PICKS:

This song is self-explanatoryâ?|.

ANNA MURAKAMI â?? MUSIC PRODUCTION COORDINATOR

Scott McKenzie â?? â??San Franciscoâ?•

Visiting San Francisco in the summer whilst wearing flowers in my hair and playing this song is on my bucket list!

HATTIE LONG â?? MUSIC RESEARCHER

Confidence Man â?? â??Out the Windowâ?•

My hot summer pick is Out The Window by Confidence Man. That whole album blew my tiny mind last year with its genre-merging joy and their live shows are unreal. This track switches between house banger and gospel singalong so effortlessly that it canâ??t help but bring out the sunshine wherever I hear it.

KATE SZKOLNY-APSEY â?? MUSIC RESEARCHER

Shaun Escoffery â?? â??Days Like This (Spinna & Ticklah club mix)â?•

After boogying to this during one beautiful sunrise at Houghton festival, it sits firmly at the top of my summer playlist.

JERRY WANG â?? ASSOCIATE MUSIC CONSULTANT

Eddie Cochran â?? â??Summertime Bluesâ?•

One of my favourite oldies, really fun to listen to in the summertime and also a great track to play at your summer house party!

Itâ??s the perfect summer rave trackâ?|

LUCIEN BERLEMONT â?? MUSIC SCOUT

Octave One â?? â??Black Water ft. Ann Saundersonâ?•

This classic masterpiece reminds me of good old summer vibes, one of the most beautiful tracks I have ever heard!
