

Telekom can't stop that summertime feeling in their latest commercial

Description

It's the time of year when everyone wishes they were on vacation – blue skies, blue sea, fancy cocktails and beach parties.

Telekom's latest commercial screams **summer**, whisking you away to an idyllic, sunny holiday setting.

However, if you need a little extra help celebrating the greatest season of them all, this **mobile network** also has the answer. Their app is full of **seasonal surprises** including their exciting **summer data package** which is available to all users at a flat rate – an offer that definitely calls for celebration.

And **big deals** bring **big music**!

Our music supervision work enabled the placement of everyone’s party favourite, JT’s – **Can’t Stop The Feeling**•. Bringing the **sunshine** with a great pop anthem, and putting **summer feels** into **summer deals**, this film leaves everybody dancing.
