

Classic and timeless: Volkswagen celebrate 8 generations of Golf

Description

Thereâ??s no better time to celebrate **Volkswagen Golf**â??s history than during the build-up to **Christmas**. Itâ??s a time for celebrating **traditions** and this classic model is certainly one of those; it has a place at the heart of **families** and stretches across **generations**.

In a series of colourful vignettes showcasing heartfelt **memories** throughout the decades, VW make evident that **personal experiences** are integral to the history of their brand. As **Golf** evolves, **new technological advances** strive to improve the lives of customers; â??**Whatever life you live** â?? **life happens with a Golf**â?•.

This **iconic model** symbolises the **road trip of our lives** – from first kisses, to weddings alongside epochal celebrations.

Tracks & Fields saw to the placement of **Stereoshock**'s modern classical composition – **Chasing Dusk** – a climatic and emotional track which highlights the humanity in **Golf**'s evolution. With driving percussion and emotive strings it soundtracks a **story of love and adventure**.

Ultimately this film serves as an ode to **VW**'s customers and the brand's beloved and enduring product: **Volkswagen Golf**.
