

ALDI celebrate all their possibilities on new campaign

Description

Snapshot of ALDI ad

We collaborated with Aldi for their lastest campaign where we licensed **Petit Biscuit**'s track *Parachute*. You can hear the upbeat electronic track as the background for their newest ad- where they celebrate all the things you can achieve with ALDI. From becoming an environmental hero with *Grüne Energie* service, to planning the perfect trip with *Aldi Reisen*.

You can catch Petit Biscuit's catchy tunes on the ALDI Möglichkeiten ad here:
