

Fashion & music | Onitsuka Tiger

Description

For Onitsuka Tiger's 2021 Collection, we were in charge of the music supervision.

Fashion and music are always close together. This is simply because music plays an active role in assisting to express different avenues of fashion. Even on the runway at a fashion show, style is not the only focus, music plays an important role too.

As we understand the importance of music in fashion, we make sure what kind of music is most suitable for the style and concept of the season.
