

Bespoke song for TV commercial | Shiseido GRACY

Description

We were in charge of composing the original song for the Shiseido GRACY TV commercial series.

The video shows you wearing makeup lightly even during the busy hours in the morning. Therefore the theme of the song was “Refreshing Morning”.

In this song production, we worked with a French composer and a French female vocalist to express a light refreshing morning.

At Tracks & Fields, our experienced staff will be happy to help you provide the best song for your project.
