

Ceska Sportelnaâ??s easy online meetings with a banker are like â??Walking on a dreamâ??

Description

We live online. We consult online. In their latest advert, Ceska Sportelna now introduces their possibility to consult about finances online. The film shows several scenes where their protagonists get advice from friends. The storyline has a human and humorous mood, as the scenes depict everyday life and small accidents, friends and family can help you with. While music plays in the background, the lyrics refer to a positive and upbeat world.

The music ??? licensed through Tracks & Fields ??? is a track of Australian electronic music duo Empire of The Sun, Walking on a Dream. It was released in 2008 and reached top 100 positions in the charts around the world. The song had a rebirth some years later and peaked the Billbooard US dance club charts in 2016.
