

Zalando Spring 2023 campaign For all your vibes

Description

At Tracks & Fields we are honored to share you our latest collaboration for [@Zalando](#) Spring 2023 campaign "For all your vibes" in where after a music research process, we cleared the song "Resolve" by BINKI.

This campaign by agency [@convoy](#) showcases the fluidity of personal style with their season-ready collection. A cheerfully spot showing different chameleon moods: for going to the office, chillin' with friends or dressed to kill in a party, they celebrate the many ways you can choose to express yourself.
