

• Tokyo Syndrome won the Audience Award at Straight 8 Shoutout Cannes.

Description

Celebrated just a few days ago at Cin ma Les Arcades, the short-film    shot entirely on one Super 8 cartridge without editing-   Tokyo Syndrome   won the   Audience Award   at Straight 8 Shoutout Cannes. Straight 8 began in London in 1999, and it  s now a global filmmaking competition devoted to celebrate Super 8 film and storytelling.

Congratulations to all the crew!! Kanpai!!!
