

Glossary of terms â?? V

Description

Visual Instrumental

In contrast to a background instrumental this refers to a use of music in a scene with an on-camera music performance of that music without vocals. If this performance is the primary focus of that scene then the use would be considered as a featured use.

Visual Vocal

Likewise, in contrast to a background instrumental this refers to a use of music in a scene with an on-camera music performance of that music with vocals. If this performance is the primary focus of that scene then the use would be considered as a featured use.
