It's nearly time for Cannes Lions 2019, which means that Tracks & Fields' annual event, Hangover Rehab, will be returning! Once again it's time to kick back, relax, mix and mingle outside of the festival's hustle and bustle.

Hangover Rehab, our early afternoon brunch party, will take place a short walk away from the busy Croisette. With plenty of food, all kinds of beverages from coffee to cocktails, as well as painkillers, antacids and multivitamin supplements, Hangover Rehab is a great way to kickstart an action-packed day!

So come on down and enjoy our beachfront balcony and promenade views. Sip on a hangover cocktail and enjoy the party playlists curated by our award-winning music team. We can't wait to see you by the sea! To ensure a spot on the guestlist please RSVP below:
